Why I-Shou University?

CULTURAL DIVERSITY

I-Shou University embraces cultural diversity, hosting students and faculty from over 49 countries. Its International College and English-taught programs create a vibrant multicultural environment, promoting cross-cultural interactions. The university organizes cultural exchange events, language programs, and festivals, fostering mutual understanding among students of diverse backgrounds

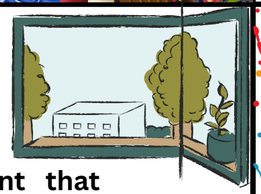

STATE-OF-THE-ART TECHNOLOGY

I-Shou University offers modern facilities, including advanced classrooms, research labs, a comprehensive library, and specialized spaces like a teaching hotel and simulation labs. Students enjoy a sports complex, swimming pool, dormitories, diverse dining options, and a scenic campus in Kaohsiung, fostering both academic and personal growth.

DYNAMIC ENVIRONMENT

I-Shou University (ISU) offers a dynamic environment that combines academic excellence with vibrant campus life. Its state-of-the-art facilities and diverse student body create a stimulating atmosphere for learning and growth. ISU promotes innovation, collaboration to ensure students' global readiness, equipping them with the skills and mindset needed to succeed in an increasingly interconnected world.

VARIOUS ACTIVITIES

I-Shou University (ISU) provides a wide range of extracurricular activities to enrich student life and foster personal growth. Students can join various clubs and organizations, such as TEDxIShouUniversity, Cultural Festival, Taiwan Exploration, Christmas Party, Cultural Ambassador, etc. These activities provide opportunities for students to develop skills, build friendships, and create memories beyond academics.

Innovation and Cross-Boundary Learning

- **Among 4 comprehensive university with Medical School**
